

## ANNUAL ELEMENTS COMPETITION

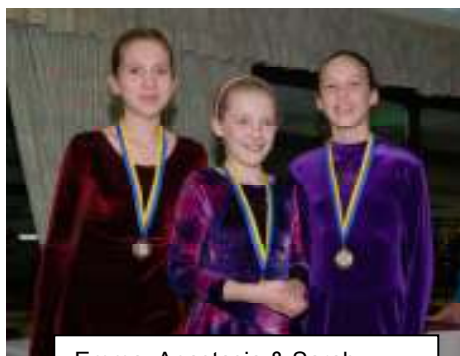

The annual elements competition (traditionally known as the spin, spiral and jump competition) was held in October and matched last year's record total of 41 entries. This competition is an ideal opportunity for those new to the sport to experience competing in front of NISA judges and to be supported by a friendly audience. This year's NISA judges were Jane Brown, Trudi Burgess and Christine Harper. Congratulations to the winners and well done to everyone who took part.
