

## Have you ever wanted to be Andy Pandy, James Bond or Tinkerbell???

### Well – now's your chance!!!

For those of you that have not done artistic competitions before – there are 5 judges – each looking at different aspects of your programme –

**technical merit,  
artistic impression,  
musical interpretation,  
choreography and  
costume/props,  
and all judges also give a second mark for entertainment value.**

We expect to offer these same classes in the Bracknell Open in April 2005, so you'll get a chance to skate your programme at least twice, and other clubs run artistic classes in their Open competitions too. Note that props should be put on the ice by skaters (no other helpers), and nothing controlled by anyone other than a skater is allowed.

**Club competition Tuesday 25<sup>th</sup> January 2005**
