There will be five judges each marking an individual section

Judge 1 Technical Merit

Judge 2 Artistic Impression

Judge 3 Musical Interpretation

Judge 4 Choreography

Judge 5 Costume/Props Note that this mark is for the use of the costume and props, not for the costumes and props in themselves.

Each judge will also give a second mark for Entertainment value. Both sets of marks per judge will be added with the highest overall score being the winner. In the event of a tie, the Entertainment Value mark will be used as the tiebreaker.

- **Improvisation classes** – classes 20 and 21

This category consists of a programme executed with only the elements listed in the schedule, all additional elements will be penalised. In the event of a fall, skaters will be allowed to insert that element a second time, and the second attempt will be the one that counts. Second mark has priority in the event of a tie, marking is based on the way the improvised routine interprets the music. The music chosen will be from a movie soundtrack (non-vocal). Dress code is sober and of a simple nature.

The music on which the skaters will improvise their programmes will be played approx one quarter of an hour before going on the ice. Listening time is approx 15 mins. Participants must then retire to the dressing rooms where they will no longer be able to hear the music or see other skaters on the ice. No contact with coaches is allowed during the listening and following period.
