Thank you for your entry to the above event.. A pass is not required for competitors to enter the ice rink and there is free entry to spectators. The draw for the order of skate will take place on Wednesday (confirmation of time will be on our website) .

The rink has its own free car park. The Rink has a cafeteria located on the ground floor at rink side which will be open throughout most of the day offering snacks, fast food and refreshments –and Honies restaurant on the 1st Floor providing hotmeals.

Please find attached an approximate timetable for the competitions, this year there have been over 100 entries and in order to try and keep to the timetable we would ask that you are ready to skate thirty minutes before the start of your competition. Please check website for any changes to this timetable.

There will be a music collection table at rink side and your music will be returned there as soon as possible after your competition. Music will be accepted on CD or minidisc and should be clearly marked with your name, club and class, and have only one track recorded. We advise you to bring a spare copy of your music on the day. **Tapes will not be accepted**
