Dear Skater

BRACKNELL ADULT OPENS – MONDAY 27TH April 2008

Thank you for your entry to the above event. A pass is not required for competitors to enter the ice rink and there is free entry to spectators. The draw for the order of skate will take place on Sunday 26th (confirmation of time will be on our website).

The rink has its own free car park. The rink has a cafeteria located on the ground floor at rink side which will be open throughout most of the day offering snacks, fast food and refreshments as well as Honies restaurant on the 1st Floor providing hot meals.

We would ask that you are ready to skate 30 minutes before the start of your competition. Please check website for any changes to this timetable.

There will be a music collection table at rink side and your music will be returned there as soon as possible after your competition. **Music will be accepted on CD only** and should be clearly marked with your name, club and class and have only one track recorded. We advise you to bring a spare copy of your music on the day.

We will have a photographer along with the facility to order DVDs of your class - further information will be available on our website. ***If you do not wish to be videoed for general inclusion in your competition class DVD then please let Nicki Torrington know by email giving class number and name.*** Videoing by a designated person of your own performance is allowed but only from the notified position.

We look forward to seeing you and hope you will enjoy your day with us.

Yours sincerely

Sacha Hartley
